No. 581.  
SIR,—

I have the honour to transmit to Your Royal Highness, for the information of your Ministers, a copy of a notice published in the press on the 15th June, containing information for the guidance of persons desiring to record:—

(a.) Debts (including bank balances) due to British subjects from persons residing in enemy countries:

2. The Foreign Claims Office referred to in the last paragraph of the notice has been set up at the Foreign Office for the purpose of dealing with all claims for the settlement of which no satisfactory machinery has existed hitherto, and which are foreign in the sense that they are claims by British subjects against a foreign Government or by foreign nationals against His Majesty's Government.

I have, etc.,

## HOW TO RECORD CLAIMS.

WE are officially informed that it has been arranged that the Public Trustee shall keep a record of:—

(a.) Debts (including bank balances) due to British subjects from persons residing in enemy countries:

(b.) Other property in enemy countries (including securities) belonging to British subjects.

Any person desiring to record such claims or property can obtain the necessary form for that purpose (Form G in the first case and Form H in the second) from the Public Trustee. Applications should be made to the Public Trustee (Trading with the Enemy Department), No. 2 Clement's Inn, Strand, W.C.

It must be clearly understood that the action of the Public Trustee will be confined to entering upon the record claims of which particulars are supplied to him, and that in no way commits His Majesty's Government either to responsibility for the correctness of the claim entered or to taking any action on the conclusion of hostilities or otherwise for the recovery of the debts or property in question.

The Public Trustee will record claims against enemy Governments in respect of public securities of those Governments held by the claimants, but other claims against enemy Governments (e.g., in respect of goods or property requisitioned or sequestered) as distinct from claims against enemy subjects should be notified to the Director of the Foreign Claims Office, Foreign Office, S.W.

## “WATER ACT, 1914.”

## BEFORE THE BOARD OF INVESTIGATION.

In the Matter of Big Creek, Britannia Creek, Canyon Creek, Chaster Creek, Clowhom River, Cates Creek, Cheakamus River, Explosives Creek, Fairy Falls, Manquam River, Mellon Creek, Mineral Creek, Olsen Creek, Powell River, Potlatch Creek, Rainey River, Squamish River, and all other streams flowing into Howe Sound (except Furry Creek and streams south of it), into the various arms of Jervis Inlet and into Malaspina Strait, and including all streams on islands in Howe Sound.

A MEETING of the Board of Investigation will be held at the Court-house at Vancouver, on Tuesday, the 24th day of April, 1917, at 10 o'clock in the forenoon.

At this meeting all statements of claim to water privileges under Acts passed before the 12th day of March, 1909, on any of these streams, all objections thereto, and the plans prepared for the use of the said Board, will then be open for inspection.

All persons interested are entitled to examine these, and to file objections thereto in writing if they deem fit.

Objections will be heard forthwith if the party objected to has received sufficient notice of the objection.

The Board at the said meeting will hear the claimants, will determine the quantity of water which may be used under each record and the further works which are necessary for such use, and will set dates for the filing of plans of such works and for the commencement and completion of such works.

And whereas there may be persons who, before the 12th day of March, 1909, were holders of water

records on the said streams and yet have not filed statements of their claims with the Board of Investigation, such persons are required to file, on or before the 15th day of April, 1917, a statement as required by section 294 of the “Water Act, 1914.” The forms (No. 50 for irrigation and No. 51 for other purposes) may be obtained from any Government Agent in the Province.

The claims of riparian proprietors who have filed, as required by section 6 of the “Water Act, 1914,” statements of claim to waters of any of the said streams will be heard at the same time and place.

### DOMINION ORDERS IN COUNCIL.

[1736]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Saturday, the 17th day of March, 1917.

PRESENT:

HIS EXCELLENCY THE GOVERNOR-GENERAL IN COUNCIL.

WHEREAS, owing to enlistment for overseas service, there is now throughout Canada a great scarcity of farm labourers, which, coupled with the diminution of land prepared for seed, will result in greatly decreased acreage under cultivation unless steps are taken to improve the condition in this regard; and

Whereas it is believed that there are in Canada and the United States many young men who would work as farm labourers if the time so spent were allowed to count as residence upon homesteads entered for by them; it being recognized that by working for a farmer who has all necessary stock and machinery, young men of the class mentioned would help to augment the agricultural output to a much greater extent than if they spent their time on their homesteads hampered by lack of stock or machinery;

Therefore the Governor-General in Council, in view of the foregoing and under and by virtue of the authority conferred upon him by the "War Measures Act, 1914," is pleased to order that the regulations for the survey, administration, disposal, and management of Dominion lands within the 40-mile Railway Belt of the Province of British Columbia, as established by Order in Council of the 17th day of September, 1889, and amendments thereto, shall be and the same are hereby further amended as follows:—

Notwithstanding anything contained in the said regulations or the amendments thereto, during the

remainder of the year 1917, the holders of homestead entries who are employed as farm labourers within the Dominion of Canada may be allowed the period of such employment as a like period of residence in connection with their respective entries, subject to the following conditions:—

1. The time of employment to be counted as residence duties must be subsequent to the actual date of entry in each case.

2. The provisions of this order shall not apply to unperfected proxy entries, nor to any case in which the entrant is engaged in any other employment than actual farm labour.

3. As soon as possible after the entrant commences work, it shall be his duty to forward to the Agent of Dominion Lands for the district in which his land is situated, sworn evidence satisfactory to the Minister of the Interior giving particulars of the land held under entry, the nature of the work performed, where performed, date of commencement, and probable duration.

4. Within thirty days after the term of employment has expired, and in any case, not later than the 1st of February, 1918, the entrant shall file with the local agent for the district sworn evidence, satisfactory to the Minister of the Interior, of time actually spent on farm work.

5. In the event of the cancellation of any entry for default in the performance of the conditions thereof, nothing in this order shall be held to confer any right or claim upon the former holder of any such entry, who, being engaged in farm labour in Canada as aforesaid, has failed, prior to the date of cancellation, to notify the Agent of Dominion Lands for the district of the fact of his being so engaged.

6. The entry of any person complying with the foregoing provisions shall not, during the period of his employment on farm labour, be liable to cancellation by reason of his failure to perform the cultivation required in connection with his entry.

7. Notwithstanding anything contained in the said regulations or the amendments thereto, the cultivation required to earn patent in such cases may be performed in two years instead of three.

8. In any case in which the Minister of the Interior is not satisfied as to the *bona fides* of the case, he is authorized to withhold the benefits provided for by the foregoing.

RODOLPHE BOUDREAU,

ap12 Clerk of the Privy Council.

[572]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Monday, the 5th day of March, 1917.

2. If any right, power, or benefit hereinbefore referred to is acquired by a subject of an enemy country, whether through error, misrepresentation, or fraud, the Minister of the Interior may cancel the right, power, or benefit so granted or assigned,

4. Any alteration in the memorandum of articles of association or on the constitution or in the laws of any company holding any rights, powers, or benefits hereinbefore referred to shall be reported by the proper officer of the company to the Minister of the Interior, and two months' previous notice in writing shall be given to the Minister of the Interior of the intention to make any alteration which might conceivably, either directly or indirectly, affect the British character or control of any such company, and if in the opinion of the Minister of the Interior the said alteration shall be contrary to the cardinal principles that the said company shall be and remain a British company under British control, the Minister of the Interior may refuse his consent to such alteration, and, if his refusal is not obeyed, may declare such company to have ceased to be a British company and may cancel the said rights, powers, and benefits under the provisions of the next following regulation.

5. If any company which has acquired any right, power, or benefit hereinbefore referred to shall at any time cease to be a British company or shall become subject to foreign control, or shall assign any of the rights, powers, or benefits aforesaid without the consent in writing of the Minister of the Interior being first had and obtained, or if the said right, power, or benefit has been acquired through error, misrepresentation, or fraud, the Minister of the Interior may cancel the right, power, or benefit and thereupon the same shall *ipso facto* be cancelled, and any money or fees paid to or deposited with His Majesty shall be *ipso facto* forfeited to His Majesty.

6. Provided always that where any entry was granted for Dominion lands, or where any grant of any right, power, or benefit hereinbefore referred to was made before the passing of the Order in Council of the 14th day of December, 1916 (P.C. No. 2614), to a person who, after the passing of the said Order in Council, would have been debarred from making entries or acquiring such right, power, or benefit, a patent may be issued in the case of Dominion lands, and a lease, licence, or certificate, as the case may be, may be granted for such right, power, or benefit in ordinary course upon proof being submitted in each case that the conditions prerequisite for the granting of such patent, lease, licence, or certificate, as the case may be, have been fulfilled and performed, and, in the case of Dominion lands, upon evidence being also furnished satisfactory to the Minister of the Interior that the holder of the entry is a British subject.
